The Board then briefly discussed the parking lot and blacktop.

NEW BUSINESS:

## Park Board Minutes

April 8, 2021

Mr. Moyer stated there is talk about putting an aquatic center at the school property paid for by the four jurisdictions. The Board then discussed this idea as well as the proposed location for the new school.

The Board then briefly discussed opening the pool for the season with Mr. Moyer stating if we are still a red county we should not open. Germantown is still opening but took a big loss last year. He then questioned if we will require all employees to get a Covid shot. The Township is offering \$250.00 to each employee as incentive to get the vaccine.

A decision regarding opening will be made at the May meeting once regulations are released by the State.

Mr. Moyer then stated that he has a problem with baseball. Mr. Hodson came to the Board and asked that he be able to keep all the entry fees and they would do the repairs. We are still paying for repairs and not making any money. Volleyball gives us money to play and we are not getting anything from baseball.

He went on to say that he would like to see pickle ball on the volleyball courts and they have someone who will run the tournaments.

Mr. Izor stated he thinks we can look at charging baseball something since we are mowing for them.

Mr. Moyer then stated he is not in favor of a pool on school property.

Mr. Izor stated that if we are going to open, we will need to pay the Township and Village to get it up and running.

The Board then continued discussion on whether or not to open the pool.

Mr. Izor stated that Phil Sears has gone in every month and put something in the septic system.

Vandalism has been done to the port-a-johns. We need to get more cameras or motion lights. It was suggested to start with a trail camera.

Mr. Moyer stated he feels the problem is that they are locked up when people need them.
