VISITORS: Mr. Mike Stratton, Mr. John Davenport, Mrs. Joy Plymyer, Mr. Doug Kramer (Kramer & Associates), Mr. Jimmy Peters.

VISITOR COMMENTS: Mr. Mike Stratton spoke for and read a letter from Mr. Mike Martin of Dechant Rd. This letter is attached at the end of these minutes and listed as Exhibit A. Mr. Martin's letter is in response to target shooting occurring near his residence but the bullets are traveling over to his property (two properties away from the shooters) and hit a tree approximately 25 feet from he and his wife. After reading the letter Mr. Stratton stated that he researched the laws in Ohio regarding target shooting and there a few. He stated that there are two townships in NE Ohio that are the only ones to have any laws regarding shooting on one's property. He asked the Trustees if they could do something similar. Mr. Hodson stated he would reach out to those townships to see if they are still in effect and how they regulate them. Chief Schade explained the problem with such laws, Ohio does have a law that the bullets must stay on one's property – problem is proving who the shooter is – especially if there are multiple people target shooting. Chief Schade stated he did send a letter to the offending property owners and they (the police) are willing to come out anytime this happens – if it happens again. There was much discussion but the discussion ended with Mr. Hodson stating they would reach out to those townships.

Mrs. Joy Plymyer gave an update on the Stiver Cemetery. Please see attached Exhibit B to read her statement of updates.

Mr. Doug Kramer gave an update to the Havermale Rd. Phase 2 & 3 Seeding. Please see Exhibit C Attached. After discussion it was determined that the township will pay the difference of

\$1,350.54 to Walls Brothers for the completion of the seeding project. Mr. DeVilbiss made motion to pay the addition \$1,350.54 Michael Moyer seconded the motion. Motion passed.
