This Emergency Meeting was held due to fact that while Butler Asphalt was repairing and paving the parking lot located at the Farmersville/Jackson Township Community Park, additional problems were found including but not limited to water/sink hole damage which required “further dig out, gravel, fabric and labor over the entire paved area”. The additional cost was estimated to be no more than \$63,000. Should we not make a decision today and Butler Asphalt left the site there would be additional charge to bring equipment back at a later date. After a short discussion, it was decided to complete the additional repair with the cost to be paid out of the Township’s General Fund. Mr. Hodson made motion to approve and Mr. DeVilbiss seconded the motion. Motion Passed.
