Trustee Moyer reports 60 applications have been received for lifeguards and concession workers. The Germantown employee manual needs to be reviewed and adopted by the park since the employees will be working at both Germantown pool and Farmersville/Jackson Township pool. The pay will be the same at both locations. All communication with pool manager, Devin Stoutenborough will go through, Mr. Shell.

Mr. Shell and Mr. Pohl will work together to have the pool operational by opening day.

It was decided that community input about a park/pool levy for the 2026 November ballot would be beneficial. Mayor Lamb reports concern on long-term employment for the pool. Trustee Hodson suggests adding a splash pad to the park. A splash pad would be a service to township and village residents because there would be no charge to use the splash pad. Mr. Shell suggest having a community meeting at the pool, so residents can see the condition of the pool. There will be two meetings, April 20th and May 19th, both at 6:00pm. The meeting will start at the community center.

MOTION TO ADJOURN the meeting was made by Mr. Hodson and Mr. Mr. Moyer seconded; meeting adjourned at 7:00 p.m. Farmersville Village Council also voted to adjourn the meeting.
