Approve the list of Lifeguards, assistant managers, returning lifeguards, and concessions stand employees. Ryan asked Devin Stoutenborough if he was aware of all the names on the list and if he felt like all the people were competent to do their jobs, Devin said yes. Motion by Ryan Hodson seconded by Mike Moyer to approve the list of employees to be hired for the 2026 pool season.

Devin stated they are looking to get a clover system for the concession stand. There was a basic math quiz given to concession stand applicants. There were a couple guards who are not yet done with their certification but working on it.

Devin stated he works hard to keep the pool running as a proactive pool not a reactive pool.

A \$50 Certifications fee will be split with Germantown, so for each lifeguard certification we would only be spending \$25. Germantown would send us an invoice for this.

Evaluations will be given at the end of the year to determine if the employees can come back next year.

More freezer space is needed at the pool.

Devin suggests making a list of the things that are intended to be done at the pool in the future.

No swimming lessons in Farmersville this year.

Employees will receive \$2 extra per hour for pool parties.

Closed to inclement weather and Farmersville will be the first to close if there aren't enough employees for that day.

Adopt the pricing schedule from Germantown Pool Motion made by Ryan Hodson seconded by Jim Erisman.
