- Grant for new vests which is a 75/25 split.
- Chief Bruner asked why the StarOhio money is no longer listed on the Agenda? Mrs. Kozarec responded that it was an oversight as she makes copies of agenda's and then updates the info. If it was left off of one and she didn't catch it then it would just continue to carry over.
- Chief Bruner asked about the Handbook and the especially the change for sick leave to unlimited accrual since two employees have reached the max. Mr. Moyer thought it had been voted on but Mrs. Kozarec stated that only the Maternity Leave was updated. Mr. Moyer said it would be approved at the November meeting.

- Chief Bruner then said he was hoping Chief Erisman would be in attendance as he had an issue with the FFD. According to Chief Bruner he heard a fire call come in on Dean Dr. he arrived at the location and after 10 minutes no fire truck arrived. He called the firehouse and a woman answered the phone and stated they had no fire response to send. He also said that two weeks ago they had a suicide on Lower Gratis Rd. and needed a medic but there was no one at the fire house to respond. Discussion continued with Mr. Shell stating he has had conversations about maybe he and some of his employees helping drive the trucks, Chief Bruner stated that maybe his police crew could be fire fighter trained to help when and if available. Mr. Moyer stated that you have to be a firefighter to drive trucks; that used to be different. No decision or vote was made.
